

## The Georgia Municipal Clerks Association

recognizes the importance of providing effective and efficient training in order to broaden knowledge of government functions, enhance leadership skills, and augment managerial abilities. It is incumbent upon each clerk to strive toward excellence in the role as a Municipal Clerk. GMCA also recognizes that some colleagues are at a decisive disadvantage primarily due to budget constraints.

The Dale Barstow IIMC Scholarship is presented to a deserving clerk to reimburse for the registration fee and hotel room charges for attending IMC Annual Conference. Reimbursement is limited to no more than \$1500.

If you need financial assistance, please see the requirements and application inside.

### Who is Dale Barstow?

Dale Barstow retired in 2021 after 50 years of service with Municode. Dale was Vice President of Sales for Municode for a major part of the 50 years. Dale began his career with Municode in 1971 and gained extensive experience working with Municipal and County Governments.

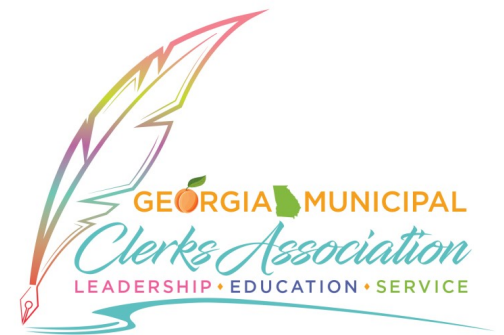

He is a graduate of Embry-Riddle Aeronautical University. Dale logged over 18,000 hours flying himself across the United States meeting with new and existing clients while attending many State and National Clerks' Conferences.

Dale is a past President and an Honorary Member of the International Institute of Municipal Clerks Foundation (IIMC) and an Honorary Municipal Clerk in the States of Florida, Texas, North Carolina, and Missouri.

He was an avid supporter of continuing education and a great friend to GMCA throughout his career.
